SUPPLEMENTARY INFORMATION:

I. Abstract

Export licenses approved by BIS are granted to only those persons who certify on the application that they are subject to the jurisdiction of the United States and that they will be

strictly accountable for the use of the license in accordance with the EAR. Certain circumstances such as company mergers, company takeovers, etc., necessitate the transfer of an active export license from one party to another. When a licensee transfers an unexpired license to another party, there must be assurances that the other party, the transferee, will also be accountable for the proper use of the license. The required information collected from both parties provides assurances that the balance of the shipments will not be diverted or used for purposes contrary to the authorized use of the approved license.
